

ID 77/2026

Sri. SNM advocate filed authorization memo for second party.

Sri. LMP advocate filed memo of appearance for first party.

Heard learned advocates for appearing for both sides.

I secured the file of ID No.214/2025 pending in Industrial Tribunal.

The said ID No.214/2025 on the file of Industrial Tribunal has been registered on the basis of reference dated 10.12.2025 bearing No.LD-IDM/495/2025/LD.DO.6.L.S.

The reference of this case on hand in ID No.77/2026 registered on the file of Additional Industrial Tribunal, Bangalore also bears the same No.LD-IDM/495/2025/LD.DO.6.L.S.

In fact it is shown in the reference of this ID No.77/2026 that it is amended reference of No.LD-IDM/495/2025/LD.DO.6.L.S.

It is nothing but corrigendum issued to the reference of No.LD-IDM/495/2025/LD.DO.6.L.S, which came to be registered as ID No.214/2025 on the file of Industrial Tribunal and therefore it replaces the reference of No.LD-IDM/495/2025/LD.DO.6.L.S and therefore there was no need to register this corrigendum reference as separate industrial dispute case on the file of Additional Industrial Tribunal, Bangalore. Therefore it is necessary to close this ID No.77/2026 on the file of Additional Industrial Tribunal, Bangalore with direction to the office to place corrigendum reference and all other paper of this case to ID No.214/2025 pending on the file of Industrial Tribunal.

Accordingly ID No.77/2026 on the file of Additional Industrial Tribunal, Bangalore stands closed with above noted direction to the office.
