It is true to suggest that petitioners are 3rd party to the policy of insurance. It is not true to suggest that our insurance company conducts investigation only about the vehicle insured with us. We have not produced the investigation report. It is true to suggest that there is no mention in the policy when 3rd party himself is tort fesor our insurance company is not liable to pay compensation. It is false to suggest that since there is no such condition in policy we are not liable to pay compensation to 3rd party. It is true to suggest that at the time of accident driving license of driver of Lorry bearing Reg No.KA-2/B-5234 in question and policy of insurance were valid. It is false to suggest that I have submitted false affidavit before this court and I am deposing falsely without having any documents. It is false to suggest that since the

petitioners are 3rd parties our company is liable to pay compensation to the petitioners. It is false to suggest that since there is no any condition mentioned about 3rd party vehicle in insurance policy our company is liable to pay compensation to the petitioners.
