

Witness called and duly sworn on 19.06.2026.**Cross-examination by Smt.S.L Advocate for Defendant:-**

I am residing in survey no.32/3. The real owner of the said survey number was Munihanumakka. It is false to suggest that, we have purchased the properties/sites after there was an acquisition by the Railway Authorities. I don't know if the properties were converted from agriculture to non agriculture before forming layouts. I don't know as to how many sites were formed but it is Revenue sites. It is true to suggest that, there are no specific site numbers allotted to our properties. I have not obtained any legal opinion before purchasing the property. It is false to suggest that, though the properties are acquired by railways suppressing the said facts Munihanumakka has sold property to us.
