MVC NO.575/2022

PW.2

Witness called and duly sworn on: 17.02.2026

**CROSS EXAMINATION BY SRI. KSK ADVOCATE FOR RESPONDENT
NO.2:**

The injured was admitted to our hospital on 14.04.2021. The injured was initially treated at local hospital Arakalagud and further referred for Care and Management. The reference has not been submitted before the court. The injured was unconscious at the time of admission to our hospital. The injured was accompanied by one Syed Zakir. The injured was admitted to our hospital with an history of road traffic accident. There are no details of vehicles involved in the alleged incident as per MLC. We have sent intimation to the jurisdictional Police. The same is recorded in the case sheet. It is true that the name of patient is corrected at Ex.P.12. Witness further volunteers that due to spelling mistake, the name of the patient is corrected and the same is endorsed suitably.

It is false to suggest that Ex.P.12 does not relate to the injured rather it is in respect of some other patient. It is false to suggest that the disability arrived at by me is exaggerated. I have no objections to refer the patient to the medical board to assess the genuineness of the disability assessment made by me. It is false to suggest that disability can not be assessed in respect of the head injury. It is false to suggest that the prescriptions given by me are exaggerated in order to help the Petitioner to get more

compensation. It is false to suggest that I have created the medical records in order to help the Petitioner. It is false to suggest that the disability assessed by me is not in accordance with the established guidelines of Central Government.
