Complainant Ms. Razia in person.

The statement of the complainant Ms. Razia has been recorded, wherein she stated that she does not want to pursue the present case and does not demand any compensation from the accused. She stated she has no grievance against any person.

The present matter against the accused persons may be compounded under Section 317 sub-clause (2) of the BNS. This court has ascertained the voluntariness of making such a statement.
