

IA is filed to bring the legal representatives of the deceased 1st Plaintiff. No objections have been filed to the said application by the private Defendants. The official Defendants obviously cannot have any objection to an application to bring the legal representatives on record. Therefore the delay in filing the application to set aside the abatement as against the 1st Plaintiff is condoned and the abatement of the suit as against the deceased 1st Plaintiff is set aside. The legal representatives of the deceased 1st Plaintiff are permitted to be brought on record since the right to sue survives on the legal representatives more so in the present suit which is for a comprehensive relief of declaration of title. The Plaintiff shall amend the plaint and file amended plaint. Call on 21.06.2023 for amended plaint.
