

OS 115/15 dated 22.02

The Defendants No.2 to 6 have sought for summoning the Sub Registrar and a private witness in support of their case and it is contended that they are required to prove the document dated 20.07.2007. The same is not seriously objected to by the Plaintiffs' counsel. Therefore issue notice to the said witnesses. Call on 16.03.2023.
