Further Chief Examination by P.P:

I have issued the blood group of Ningappa and Ganesh. Ningappa blood group is O+ve and blood group of Ganesh is B+ve. In this regard I issued the report it is marked as Ex.P-64 and his signature is marked as Ex.P-64(a).

Cross Examination by Mr. UNG advocate for accused:

Prior to test the blood group I have not taken the blood sample. In the Ex.P-54 and 55 blood group not mentioned. I have not mentioned in the PM report with regard to taking the blood sample. In generally blood group is like O+ve, A, A+ve, B, B+ve, AB, AB+ve. Blood group comes from the genetic. Parents blood sample was not taken for test. It is not correct to suggest that false Ex.P-64 has been issued to help the Police. I have not mentioned in Ex.P-64 on which date examined the blood group of above said persons.
