

Witness called and duly sworn on 16-12-2021.

Further examination in chief by counsel for plaintiff.

Witness entered into the witness box and after taking an oath submitted an examination-in-chief by way of affidavit.

Cross Examination by SLB counsel for defendant.

I have information only the family concerned to the plaintiffs and I do not know about defendants family. I cannot say about assets owned by the Kedareppa Pawar @ Huded during his life time. I do not know about places where the properties owned by the Kedareppa were situated. Also I do not know the places where the properties of the defendant No.1 are situated. The suit properties is measures about 4 acres 20 guntas. Witness volunteers that, the above said suit property is measured about 4 acres 24 guntas inspite of 4 acres 20 guntas which bears R.S.No.110. I do not know whether the suit property is originally belongs to one Hanumantappa Yallapur. I do not know about filing of

form No.7 by the deceased Kedarappa Pawar with respect to the suit properties before Land Tribunal authority. I do not know when the above said application was disposed off by the concerned authority including its order. I do not know about the order passed by the concerned Land Tribunal authority by rejecting the application filed by the above said Kedareppa in the year 1971. I have not instructed to prepare my affidavit by mentioning that, above said land tribunal authority has passed order with wrong conception. I do not know whether above said order was challenged by the plaintiffs' family or not. I own land bearing R.S.No.106. I used to cultivate my own land and plaintiff used to cultivate suit property. It is not true to suggest that, at the instance of plaintiff No.1(E) I am deposing false evidence. I do not know when the name of the plaintiff's family member have been cancelled in the property extract of the suit property. It is not true to suggest that, either original plaintiff or his family members never

cultivated the suit property even though I am deposing
false evidence in order to help the plaintiff. It is not true

to suggest that, since immemorial time till today defendants are cultivating the suit land continuously by erecting farm house in the suit land.
