

**ORDERS ON PETITION UNDER
SEC.13(3) OF THE REGISTRATION
OF BIRTHS AND DEATHS ACT, 1989**

The petitioners have filed this petition in order to get death certificate of their father by name ***Sri. Muneersab S/o: Jamalasab Doddamani*** as he was died on 28-07-2019. The petitioners contended that, though they have approached the respondent's authority to get the death certificate, but the respondent's authority issued an endorsement stating that the death date of the deceased ***Sri. Muneersab S/o: Jamalasab Doddamani*** was not registered with their authority. Whereas the petitioners contended that, the said death certificate is very much required to produce before the concerned authorities.

2. Upon service of notice, the respondent remained absent and hence placed exparte. The averments made in the petition remained unchallenged. More so though the petitioners have taken paper publications and call for the objections from the related or any interested parties, but none have appeared before the court and filed their objections.

3. In order to prove their case, the petitioner No.2 himself got examined as PW-1 and got marked Exs.P1 to P6. On perusing Ex.P1 the non-availability certificate, the petitioners having no option to get the death certificate

approached the court with this petition and hence they have got right to obtain the death certificate of the deceased person. On perusing the materials placed before the court, the petitioners followed all the legal formalities in order to get the death certificate of their deceased person. Hence, the petitioners rightly contended that they required the death certificate of the deceased person to meet legal necessities for a bonafide purpose. On perusing the evidence and the supporting documents and on the basis of the reasons assigned above, I am of the opinion that the petitioners are entitle for the direction to the respondent authority in order to obtain the death certificate of the deceased ***Sri. Muneersab S/o: Jamalasab Doddamani***. Hence, I proceed to pass the following:
