ORDER ON IA No.II

The plaintiff has filed I.A.No.II u/o 6 rule 17 r/w Sec.151 of CPC for seeking permission to carry out the amendment of plaint. In spite of sufficient time has been given defendants have not filed any objections. Hence their objection is taken as not filed.

The application is filed before commencement of trial. On perusal, the proposed amendment appears to be necessary for proper adjudication of the matter. Since no prejudice will be caused to the defendants, the application deserves to be allowed. If the present application is allowed, nature of the suit will not change. Hence, I proceed to pass the following
