

### **ORDER ON IA NO.I**

The legal representatives of the deceased Najeerahammad Koitewale i.e., petitioners No.1(A) to 1(H) have filed this application under order 3(1) read with section 151 of Code of Civil Procedure to implead them as legal representatives of the deceased Najeerahammad Koitewale i.e., petitioner.

On the other hand, the respondent counsel has not filed any objection to this IA No.I and submitted that IA No.VI may be allowed on payment of costs.

Heard arguments on both the sides and perused the materials on record.

In the affidavit filed by the petitioners in this case have clearly goes to show that the applicants in IA No.I are the legal representatives of the deceased Najeerahammad Koitewale i.e., petitioner and also they have no objections to implead them as necessary parties unless the applicants in IA No.I have to be furnish full details of them. The copies served on the other side and they have not filed any objection to this IA. But they have submitted that the IA may be allowed on payment of costs. It is necessary for the determination of the rights and liabilities of the parties in this petition. If the annexed application is not allowed, the applicants may be put to great loss and injury in the interest of justice and equity. Hence, I proceed to pass the following;
