ORDER ON IA NO.VIII

The plaintiff counsel has filed the IA No.VIII under order of 7 rule 14[A] of Code of Civil Procedure for seeking permission to production of list of documents in the interest of justice and equity. The copies served on the other side. Sufficient opportunities given to the defendants to file the objection to this IA. But they have not filed the objection.

Heard arguments on both the sides and perused the materials on record.

In the accompanying affidavit, the plaintiff has stated that the suit properties are the ancestral joint family properties of the plaintiff and defendants. The plaintiff and defendants are in joint possession and enjoyment of the suit properties till today there is a no partition between the plaintiff and defendants by metes and bounds. The defendant No.1 and 5 are started obstructed to the plaintiff's peaceful possession and enjoyment of the suit property. The defendant No.5 is having political influence and he created the false document and filed the OS No.22/2015. The defendant No.5 created the document of agreement of sale deed and he taken false signature of the plaintiff on the said document. Hence, it is necessary for production of agreement of sale deed and other documents in this suit. Hence he prayed allow this application and permit him to produce the documents. On the other hand the defendants are not filed the objection to this application. In my opinion this application is allowed no harm or loss would be caused to the either side. To avoid the multiplicity of proceedings between the parties. In the interest of justice and equity, I proceed to pass the following
