interim injunction order restraining the
defendants, their agents, servants and other
person claiming through them from illegally
interfering in erection of poles, for supply to IP
set located on the open well situated in premises
of land bearing Sy.No.63/11 of Teerth Village,
Taluka Aland, District Kalaburagi.

in support of IA No.I as per the contention of the
plaintiff, he is erecting an electrical poles to
supply of power to the IP set located in the land
bearing Sy.No.63/11 of Teerth Village, he has
applied to the GESCOM for sanction of
electricity supply. The GESCOM authority have
sanctioned the power supply to LT 4 IP sets 10

HP installation under self execution basis. The defendants are objecting the plaintiff for erection the poles in their land. Hence, prayed to issue exparte interim injunction order against the defendants.

Learned counsel for the plaintiff relied on the Judgment reported in AIR MANNUL VOL. 43 567. After careful reading of the Judgment relied by the learned counsel for the plaintiff in Item No.25 and 26 the Hon'ble Court clearly held that when the placing of electric poles in the interest of general public does not cause any damages to the owner of the land as the land would be always cultivable in spite of the electric poles, no injunction would be granted restraining the erecting of poles and if any damage is likely to be caused the owner would be appropriately compensative under Section 10 proviso D of the Telegraph Act.
