

**IN THE COURT OF THE SENIOR CIVIL JUDGE AND
JMFC, AT: CHINCHOLI.**

MVC No.270/2022

Name : Govadappa Biradar RW-1
Husband's Name : Kallangauda Biradar
Age : 59 years
Occupation : Regional Transport officer Bidar.
Residing At : Bidar.

Witness duly sworn.

Date 28-02-2025.

Chief examination by V.R.M.

1. I am working as Regional Transport officer Bidar. I have received summons from the court to produce the documents. As per the order of the court I am producing the register maintained by the hospital. I have produced the RC of Tractor bearing Registration No.K.A38T4737. The document is marked as Ex.R-1.

Cross Examination: Sri. VVC

1. As per ExR1 the purpose of vehicle was for agriculture use. The tractor with trailer is used for agriculture purpose. If there needs to be any additional attachment to the tractor or to change the mode of vehicle or to change the purpose of vehicle the permission of RTO is necessary. It is true to

suggest that Tractor bearing Registration No.K.A38T4737 has not taken any permission from the RTO for any additional attachment to the tractor or to change the mode of vehicle or to change the purpose of vehicle. For agriculture purpose the tax will be for life time. For commercial purpose the tax will be quarterly. Tractor bearing Registration No.K.A38T4737 had life tax. There is no any kind of changes in tax for the above said vehicle.

Cross Examination: Sri. VSK

1. It is true that if trailer is to be attached to the vehicle, permission is required. Permission is not necessary to use the vehicle for agriculture purposes.

Cross Examination: Sri. VVC

1. It is true that if any additional attachment are made to the vehicle permission is necessary. It is true that if attachment is made for Borewell repairing machine and Borewell digging machine permission is required. The witness volunteers that no permission is given for using the vehicle for Borewell repairing machine and Borewell digging machine. It is true to suggest that if any vehicle is made attachment for Borewell repairing machine

and Borewell digging machine then there is violation of RTO rule.

Cross Examination: Sri. VSK

1. It is true that if there is violation of RTO rules the concerned authority can impose fine.

(Typed to my dictation in the Open court)
