

**Order on IA-I filed U/o 39 Rule 1 & 2 of CPC by the Plaintiffs**

**1.** This is an interlocutory application No I filed by the Plaintiffs seeking temporary injunction order restraining the defendants from alienating, mortgaging or creating charge over the suit properties in any manner till disposal of the suit.

**2.** The interim application is accompanied with an affidavit sworn by the Plaintiff wherein it is stated that, she has filed the suit

seeking the relief of Partition and separate possession in respect of suit schedule property and for correction of revenue records. It is stated by the Plaintiff that the defendants are trying to alienate the suit schedule property to others though the suit schedule properties are joint family properties. If the defendants are permitted to alienate the suit schedule property, then the Plaintiffs will suffer irreparable loss which cannot be compensated in terms of money or otherwise. Thus the Plaintiffs sought for the relief of exparte ad interim injunction order as against the defendants in the application.

3. Heard and perused the entire materials on record. Perused the affidavit of the application and the plaint averments. On perusal of the documents produced by the Plaintiff i.e., the record of rights of suit schedule properties depicts the name of defendants. These documents shows that the Plaintiff has prima-facie case. Thus on perusal of the plaint averments, affidavit and documents it shows that the Plaintiff has made out prima-facie materials to grant ad-interim exparte injunction order. If order of ad-interim ex-parte Temporary injunction is not granted, very purpose of suit will be frustrated. Hence, I proceed to pass the following:

**ORDER**
