

**ORDER ON IA-I FILED U/O 39 RULE 1 & 2 OF CPC BY THE
PLAINTIFF**

1. This is an interlocutory application No I filed by the plaintiff seeking for temporary injunction order restraining the defendants from alienating, mortgaging or creating charge over the suit properties in any manner till disposal of the suit.

2. The interim application is accompanied with an affidavit sworn by the Plaintiff wherein she has sworn that, she had filed the suit seeking the relief of partition and separate possession in respect of suit schedule property. It is stated by the plaintiff that the defendants are trying to alienate the suit schedule property to others though the suit properties are the properties of plaintiff and defendants. If the defendants are permitted to alienate the suit schedule property, then the plaintiff will suffer irreparable loss which cannot be compensated in terms of money or otherwise. Thus the plaintiff sought for the relief of exparte ad interim injunction order as against the defendants in the application.

3. Heard and perused the entire materials on record. Perused the affidavit of the application and the plaint averments. On perusal of the documents produced by the Plaintiffs i.e., the record of rights of

suit schedule property, agreement of sale, copy of legal notice, shows that the Plaintiff has prima-facie case. Thus on perusal of the plaint averments, affidavit and documents it shows that the Plaintiff has made out prima-facie materials to grant ad interim exparte injunction order. If order of ex-party Temporary injunction is not granted, very purpose of suit will be frustrated. Hence, I proceed to pass the following:
