I know Cw-3. I have no information regarding this case. The police in my presence have not conducted any spot panchanama. I have not given any statement before the Police.

Now the witnesses confronted with spot panchanama. The witness identifies his signature. Hence the spot panchanama marked as Ex. P-3. The signature of the witness is marked as Ex. P-3(a). I have signed on Ex. P-3(a) as the police had requested me to sign it. I do not know the contents of Ex. P-3.

At this juncture Ld. APP sought permission to treat the witness as hostile witness. As the witness has deposed contrary to the case of prosecution, permission is granted. The witness is treated as hostile witness.
