Accused absent. EP filed. His counsel submitted no dispute regarding identification of accused.

Chief examination: Learned APP for prosecution

I do not know accused. I knows CW-1 and 2. I do not know CW-4 to 9. I does not know anything about the matter. At about 7-8 years back I had been to the police station in connection with assault matter. At that time the police have took my signature on 02 documents. I doesn't know what was written in the those documents. The police have not drawn any mahazar in my presence. The police have not seized any rice bags in my presence. However there was lorry in front of the police station. I doesn't know what lorry was containing. The police have not seized lorry in my presence. Now I have seen one document called mahazar which contains my signature. Witness identified the said document. Therefore signature of said witness is marked as Ex.P1(b). I doesn't know what was written in Ex.P1. I doesn't know for what purpose Ex.P1 was written. The police have not read over the contents of Ex.P1 to me. I have not seen the lorry which is appearing in the photographs herein before.

(L/APP submitted that the witness disowned his statement made before IO. Therefore, the witness may be treated as hostile witness and she may be permitted to cross examine the said witness. Permission granted.

Cross Examination: by L/APP for prosecution.

It is false to suggest that on 10.12.2014 the police have drawn Ex.P1 mahazar in my presence. It is further false to suggest that the police have seized truck bearing No.AP-23/Y-2259 in my presence. It is further false to suggest that though I know everything about the matter and police have drawn the mahazar but in order to help the accused I am deposing falsley.

Cross examination: By Sri. KSM advocate submitted no cross examination.

Re-examination: Nil.
