Examination-in-chief by Public Prosecutor:

1. I know the accused, I knew the deceased also. As they were working with me at Kolakeri. I am a building Contractor. During that time, I had under taken the construction of work building belonging to one Mrs. Murneer. The deceased Chandrababu was an alcoholic. Because of alcoholic nature, he used to work for 3 days

and rest for 4 days in a week. Therefore, he used to loose the employment's.

2. As I know there were 2 criminal prosecution launched against him in his place. There were warrants having been issued by the court may be because of these reasons he might have committed have suicide. The accused are not responsible for the committing of suicide of the deceased in any manner. The accused and the deceased used to stays together. The accused and the deceased used to reside together and they were cordial with each other. I have not seen any differences in between the deceased and the accused. In the year 2016, on one day in the month of August, I came to know about the deceased committing suicide in one of the building which was under construction under my hand. Therefore, I proceeded the said spot. When, I noticed the said dead body, the deceased has utilized 2 lungies for the purpose of hanging himself

from the rafter kept in the said building. Later, when I was summoned to the police station, I was informed by the police that, they have secured a death note, Damaged Mobile and also a Visiting card from the possession of the deceased. In the death note, which was written by the deceased it was stated that, the accused were troubling him and that, because of their trouble he was not able to move ahead to any other place and that, he is committing suicide because of that reason.

3. The Mobile that was noticed was an old phone. However, I can not say as to why the said phone was damaged.

Cross Examination: Accused is absent, nil.

Re- Examination: Nil.
