Further Cross examination Sri.CRK for counsel for accused.

I do not know read and write. The complaint (Ex P1) was written by me. The witness further states that, I had stated about the incident and my elder brother son had written the Ex P1. When the counsel for accused had posed the question asking the name of elder brother's son, the witness states that, one of the persons who writes the complaint has written the Ex P1. I do not know the name of that person.

On the day of the incident itself the police had come and drawn the mahazar. The police had come 3 times to our village. For all the three times, the police had taken my signature. When the police had come there were 2-3 persons. I do not know how many of them had signed the spot mahazar(Ex P2), may be 1 to 3 persons had signed the spot mahazar(Ex P2).

There are Jelly stones around the place of the alleged incident.

It is true to suggest that, there are lots of Jelly stones in our village.

It is false to suggest that, I had filed one more atrocity case against one Munireddy, which was before this court itself.

It is false to suggest that, in order to claim the compensation, false case has been charge against this accused.

It is true to suggest that, Cw-2 to Cw-6 are my relatives.

It is true to suggest that, Cw-2 is in the habit of consuming alcohol and therefore he used to quarrel with the accused.

It is true to suggest that, there is no connection between this incident and me.

(The counsel for accused submits no further cross examination of Pw-1)

(Computerized my dictation in open court hall.)
