Every three months there will be a meeting. I have attended all the meetings. I am not produced any document before the Court to show that I have attended all the meetings. It is false to suggest that I have not attended the meetings and therefore I have not produced any documents. After my appointment, two General Body meetings were held. I can produce those documents before the Court. Mr.Hunsik Park did not questioned his removal before any Court. The defendants have created, fabricated documents of Trust itself. I do not have documents which have alleged to have fabricated by the defendants.

It is false to suggest that the defendants have not forged or fabricated any documents. I do not remember the date when the defendants threaten the deceased plaintiff. I have filed a complaint against the defendants before the Kolar Rural Police Station. I do not remember the date of filing of the complaint. Case number is PCR 36/2019. It is false to suggest that the previous plaintiff has not filed complaint against the defendants. Now, I see the news paper dated 05-06-2019, wherein there is a public notice about loss of title deed and wherein the schedule property is mentioned is correct. The said news paper is marked at Ex.D.2. It is false to suggest that during 2017 Mr. Venugopal was the Secretary because he was resigned. Mr. Young Rak Kwon was appointed in 2021 but the registration was in 2023. I can produce document like resolution about the appointment of Mr. Young Ra Kwon. It is false to suggest that I have filed a false affidavit against the defendants.
