Present: Sh. Rajesh Kumar, Ld. counsel for petitioner.

This is a petition under section 9 of the Arbitration & Conciliation Act, 1996, for appointment of receiver to take possession of hypothecated equipment/ vehicle.

The petition is also accompanied by statement of truth and an application for interim ex-parte order for appointment of receiver to repossess the abovesaid equipment/ vehicle.

Case of the petitioner is that petitioner is a company/bank registered under the Companies Act, 1956. It is stated that respondent approached the petitioner company to avail loan facility to purchase equipment/ vehicle make TATA MOTORS LTD TATA LPT 3118 and accordingly, loan cum hypothecation agreement was executed between the petitioner and the respondent bearing Agreement No. DRCVDEH00650521 on 28.04.2025. Accordingly, the petitioner granted loan facility of Rs.15,10,500/- to the respondent, repayable in 46 equated monthly installments of Rs. 43,936/-. Vehicle/ equipment TATA MOTORS LTD TATA LPT 3118, bearing Registration No. UK17CA1645, Engine No. SO6097471L84426306, Chasis No. MAT466602HHN05094, is stated to be hypothecated in favor of petitioner/ applicant, constituting primary security. After availing the said loan facility, respondent has failed to adhere to

financial discipline and committed willful default as borne out from the statement of account showing default of payment of EMIs and other dues amounting to Rs. 3,06,670/- i.e. equivalent to the amount of more than six EMIs which became due till 16.07.2026. It is stated that respondent has defaulted 06 EMIs as on 16.07.2026. There is an arbitration clause in the agreement.

Ld. counsel for petitioner submits that the subject loan account already stands terminated vide loan recall notice dated 09.03.2026. He also submits that despite service of said notice, the respondent has failed to discharge the liability in terms thereof and as such, the present application has been moved seeking interim relief in the nature of appointment of receiver with the directions to take possession of the hypothecated property. Ld. counsel for petitioner further submits that there is genuine apprehension of the petitioner that respondent may dispose of the vehicle against the terms of contract / agreement between the parties, which may frustrate the very purpose of execution of hypothecation agreement.

This court has considered the above submissions advanced by Ld. counsel for the petitioner and also perused the documents filed alongwith the petition which is supported by the statement of truth of the AR of the petitioner.

Legal standard is well settled that while passing orders under Section 9 of the Arbitration & Conciliation Act, the Court is required to satisfy itself that (i) the applicant, before it, manifestly intends to initiate arbitral proceedings, (ii) the criteria for grant of interim injunction, which apply to Order 39 of the CPC, stands satisfied and (iii) circumstances also exist, which renders the requirement of ordering interim measures an emergent necessity, which cannot await a Section 17 proceeding, before the

arbitrator, or arbitral tribunal. In assessing whether such an emergent necessity exists, or not, the court essentially satisfies itself that failure to order interim measures, under Section 9, would frustrate, or would render the recourse, to arbitration, which is yet to take place, a futility.

Considering the totality of aforementioned facts and circumstances, this court is of the opinion that a prima facie case exist in favour of the petitioner and rights of the petitioner may be prejudiced if an order for repossessing the vehicle is not passed.

Accordingly, Sh. Amit Gautam, Representative of the petitioner is appointed as receiver to take the possession of the hypothecated equipment/ vehicle TATA MOTORS LTD TATA LPT 3118, bearing Registration No. UK17CA1645, Engine No. SO6097471L84426306, Chasis No. MAT466602HHN05094.
