**Examination in chief by : The learned APP**

I have been working as CMO in Government Hospital, Mulbagal from 2009 to 2015.

CW.1 was approached me on 23.10.2015 at 08.00 pm with an history of assault. On examination of CW.1 I have not found any external injuries.

The above injury is simple in nature. In that regard I have issued wound certificate. Now I see Wound certificate and my signature. wound certificate is already marked as Ex.P 4, signature of witness marked as Ex.P 4 (b).

**Cross examination by : Sri. MVJ Counsel for the accused:**

It is false to suggest that I have issued false wound certificate. It is false to suggest that i am deposing falsely to help injured person.

(Typed to my dictation in the open court, corrected and then signed by me.)
