7. Records pertaining to impugned award dated 14.12.2023 has been secured from the office of the respondent No.3/Arbitrator.

8. I heard arguments submitted on behalf of both parties and perused the records.

9. On the basis of the materials on record, following points would arise for my consideration:-

- 1) Whether the petitioner made out sufficient grounds to allow the petition i.e. to interfere in the impugned award dated 14.12.2023

passed by the respondent
No.3/Arbitrator?

2) What order ?

10. On the basis of the materials available in the file, my finding to the above Points are as follows:-

Point No.1 : **In the Affirmative**
Point No.2 : As per final order
for the following:-

REASONS

11. **Point No. 1** :- In the lengthy argument and in the petition learned Advocate appearing for the petitioner asserted the following points;

- a) Petitioner is the owner and possessor of the land bearing Sy.No.65/3 of Rudrakshipura Village, Maddur Taluk, in which respondent No.2 acquired 244 Sq.Mtrs dry land to form NH-275 i.e., Bangalore-Mysore Highway under preliminary notification dated 01.02.2016, then, respondent No.1 passed award dated

15.02.2018 by determining market value at Rs.32,85,537/- per acre.

- b) The respondent No.1 has not awarded adequate compensation by considering the potentiality of the acquired land being fit for use non-agricultural activities.
- c) The petitioner produced documents regarding market value fixed by the Civil Court in land acquisition cases, in which state Government acquired land at Rudrakshipura Village during 2004 to form Bangalore-Mysore Highway in which market value of the acquired land are fixed at Rs.2,72,200/- per gunta if escalation 10% per year is added the market value become Rs.6,26,175/- per gunta.
- d) The compensation awarded by the respondent No.1 is highly inadequate and the value of the land in and around the acquired property of the petitioner is more

than Rs.4 crores per acres (Rs.6,189/- per Sq.Mtr).

12. In the lengthy objection District Government Pleader appearing for the respondent No.3/Arbitrator defended the impugned award dated 14.12.2023.

13. In the lengthy objection and notes of argument respondent No.1 and 2 by noting several Judgments of Hon'ble Apex Court and Hon'ble High Court of Karnataka defended the impugned award dated 14.12.2023 i.e. asserted that the market value determined by the respondent No.1 with respect to the acquired 244 Sq.Mtrs land in Sy.No.65/3 of Rudrakshipura Village as proper and correct.

14. The record shows that through preliminary notification dated 01.02.2016, respondent No.2 acquired 244 Sq.Mtrs land in Sy.No.65/3 of Rudrakshipura Village owned by the petitioner to form NH-275.

15. The record shows that through award dated 15.02.2018 respondent No.1 estimated the market value of the acquired land at Rs.866/- per Sq.Mtr. for acquired land i.e. total compensation at Rs.6,51,071/- and issued notice dated 09.11.2019 to the petitioner.

16. Feeling aggrieved by the award dated 15.02.2018 the petitioner filed petition under Section under Section 3G(5) (6) (7) (a) (b) (c) (d) of the National Highways Act, 1956 dated 01.12.2020 before the respondent No.2, which has been referred to the respondent No.3 wherein registered as LAQ/ARB/(NH-275) 311/2020.

17. In the petition filed under Section 3G(5) (6) (7) (a) (b) (c) (d) of the National Highways Act, 1956 petitioner requested to estimate market value at Rs.20,000/- per Sq.Mtr to the acquired land, Rs.2,00,000/- with respect to two Gobbali trees and compensation under various heads.

18. In response to the notice respondent No.1 and 2 appeared through their Advocate before respondent No.3 and on 20.11.2021 filed objection.

19. On 05.10.2023 before the respondent No.3 petitioner through his Advocate filed notes of argument along with the copy of compromise award dated 14.12.2019 passed in LAC No.26/2013 on the file of Senior Civil Judge, Maddur with respect to land bearing Sy.No.85/3 of Rudrakshipura Village, Maddur Taluk and compromise award dated 14.12.2019 passed in LAC No.27/2013 on the file of Senior Civil Judge, Maddur with respect to land bearing Sy.No.85/1 of Rudrakshipura Village, Maddur Taluk which are acquired by the State Government in which fixed the market value of the acquired land at Rs.250/- Per Sq.Foot.

20. The record shows that the respondent No.3 after verification the records including notes of argument filed by the petitioner, passed the

impugned award dated 14.12.2023 making observation that:

21. In the argument learned Advocate appearing for the respondent No.1 and 2 by analyzing the evidence available in the file submitted that compensation with respect to acquired land i.e. 244 Sq.Mtrs land in Sy.No.65/3 of Rudrakshipura Village fixed at

Rs.866/- per Sq.Mtr. is correct and proper by relying on the following Judgments:

- (1). ILR 2010 KAR 3711 [H.M.Shankaramurthy Vs. National Highways Authority of India and Others].
- (2). ILR 2016 Karnataka 413 [Bhaskar Industrial Development Limited Vs South Western Railway]
- (3). AIR 2022 SC 301 [I-Pay Clearing Services Ltd. Vs ICICI Bank]
- (4). MANU/SC/1484/2024 [A.Parthasarthy & Othes Vs E sprints Avenues Pvt.Ltd. & Others].

22. In the lengthy argument learned Advocate appearing for the petitioner by analyzing the material available in the file submitted that respondent No.3/Arbitrator without considering the consequence and effect of the compromise award dated 14.12.2019 passed in LAC No.26/2013 on the file of Senior Civil Judge, Maddur with respect to land bearing Sy.No.85/3 of Rudrakshipura Village, Maddur Taluk and compromise award dated 14.12.2019 passed in LAC No.27/2013 on the file of Senior

Civil Judge, Maddur with respect to land bearing Sy.No.85/1 of Rudrakshipura Village, Maddur Taluk which are acquired during 2004 by the State Government, market value are fixed at Rs.250/- per Sq.Foot, is neither in accordance with law nor correct.

23. In the award dated 14.12.2023 respondent No.3/Arbitrator has properly neither considered nor discussed regarding effect and consequence of the copy of compromise award dated 14.12.2019 passed in LAC No.26/2013 on the file of Senior Civil Judge, Maddur with respect to land bearing Sy.No.85/3 of Rudrakshipura Village, Maddur Taluk and compromise award dated 14.12.2019 passed in LAC No.27/2013 on the file of Senior Civil Judge, Maddur with respect to land bearing Sy.No.85/1 of Rudrakshipura Village, Maddur Taluk which are acquired during 2004 by the State Government and market value are fixed at Rs.250/- per Sq.Foot passed the impugned order.

24. There are difference of approximately 12 to 13 years between 2004/2005 and 2016 when lands of Rudrakshipura Village are acquired to form Bangalore-Mysore Highway and NH-275 (elevated Bangalore-Mysore Highway).

25. In the petition filed under Section 34 of the Arbitration and Conciliation Act, this Authority is having limited power to appreciate the material available in the file.

26. The record shows that award dated 14.12.2023 passed by the respondent No.3/Arbitrator under which petition filed under Section 3G(5) (6) (7) (a) (b) (c) (d) of the National Highways Act, 1956 which is registered as LAQ/ARB (NH-275/311/2020 came to be rejected without properly considering the effect and consequence of the copy of compromise award dated 14.12.2019 passed in LAC No.26/2013 on the file of Senior Civil Judge, Maddur with respect to land bearing Sy.No.85/3 of Rudrakshipura Village, Maddur Taluk and

compromise award dated 14.12.2019 passed in LAC No.27/2013 on the file of Senior Civil Judge, Maddur with respect to land bearing Sy.No.85/1 of Rudrakshipura Village, Maddur Taluk which are acquired during 2004 by the State Government by fixing compensation at Rs.250/- per Sq.Foot is neither in accordance with law nor sustainable.

27. Hence, I came to the conclusion that impugned award dated 14.12.2023 passed in LAQ/ARB (NH-275)311/2020 by the respondent No.3/Arbitrator is to be set aside and matter is to be remanded to the respondent No.3 to decide afresh by providing suitable opportunities to both petitioner (land loser) and respondent No.1 and 2/Land Acquisition Authority to make submission, then by considering the entire materials placed by the parties in accordance with law, with a suggestion to both the parties to co-operate with the respondent No.3/Arbitrator to disposal of the matter as early as possible. Hence, I answer Point No.1 in the “**Affirmative**” and pass the following:-
