Examination in chief by : The learned APP

I was worked as HC-54 at Bellur PS from February 2017 to June 2022.

On 04.08.2019 CW12 received information about selling public distribution rice by the accused in front of APMC yard at Bellur and thereafter myself and CW12 had been to the spot and we have found that 25 bags of public distribution rice and thereafter CW12 received the complaint from food inspector by name Meenakshi/CW1. I have handed over the complaint to the CW11 and thereafter I had been to the spot and CW12 secured the panchas and myself typed the mahazar in the laptop between 12.50 to 02.20 pm. CW12 collected the sample in the bags and sealed the same and seized the rice bags. On 07.08.2019 as per the order of the Tahsildar vide Ahara/CR/7/2019 dated:07.08.2019 handed over to the Food Inspector/CW1. Witness identified MO.1 to MO.5.

Cross examination by : Miss.TLM., for JKR., Counsel for the accused:

It is false to suggest that myself prepared the complaint and obtained the signature of the complainant and myself and cW12 never visited the spot. It is false to suggest that the rice seized by us is not the public distribution rice. We have not found the Government seal on the rice bags and not written on the rice bag about public distribution rice. It is false to suggest that we have not conducted mahazar and not seized the rice bags from the accused.

Re-Examination : Nil.

(Typed to my dictation in the open court, corrected and then signed by me.)
