

FDP 12/2019: 20.12.2019

Sri. SP advocate for Sri. KHR for respondent filed IA No. 2 and 3 U/s 151 of CPC along with affidavits for permission to file objection to main petition and IA-1 respectively. He also filed objection to main petition and IA-1.

Smt. BRL advocate for petitioner submits that IA may be allowed on cost.

Heard arguments and perused record, IA and accompanied affidavits. It appears that this Court has taken objection statement of respondent to main petition and IA-1 as not filed as objection not filed within stipulated time. In his affidavits R-2 stated that the reason for not filing objection is bonafide but not intentional. R-2 contended that it has good grounds to urge on merits. Hence, having regard to the facts and circumstances of the case I am of the opinion that it is a fit case to permit respondent to file written statement. Hence, IA 2 and 3 are allowed on cost of Rs.100/- each. Respondent is permitted to file objection to main petition and IA-1. Sri. SP advocate paid cost. Smt. BRL received cost and prays time.

For hearing by 08.01.2020
