DEPOSITION
OF : Dr. Basavaraj K DULY SWORN ON

FATHERS
NAME : Kotreshappa K 17.10.2025.

AGE : 49 YEARS

PROFESSION : Medical Officer, K R Hospital, Mysuru P.W. : 8

RESIDENCE : Mysuru C.W. : 9

EXAMINATION IN CHIEF BY PUBLIC PROSECUTOR :

Since 2011, I am working as Medical Officer at K R Hospital, Mysuru.

On 01.12.2020 between 09.25-09.27 am, patient by name Israr aged 50 years and Farzhan, aged 45 years visited our hospital with the history of assault at 07.30 am on 01.12.2020 near their house.

On their visit I have examined both the patients. On examination I found Farzhan sustained multiple aggression and laceration of varying size measuring between 5*1 cm to 2* ½ cm over forearm and hand and the Israr sustained injury

of laceration over frontal aspect of head measuring 1*1/2 cm. I have examined the both patient and found injuries on the patient are fresh and simple in nature. I have subjected them to treatment. I have referred them to surgery department where doctor Madhu examined both the patients. But I have not found any other injuries except above stated. After that, I have issued wound certificate in respect of Israr and Farzhana. Witness identifies wound certificate same is marked as Ex.P.7. Witness identifies signature same is marked as Ex.P.7(a). Witness identifies wound certificate same is marked as Ex.P.8. Witness identifies signature same is marked as Ex.P.8(a).

Injury sustained by the Israr is possible if assaulted with Iron rod. The injury sustained by the Farzhana are also if assaulted with wooden log.

CROSS EXAMINATION BY ADVOCATE FOR ACCUSED :

I have not brought the original document pertaining to MLC. I dont know whether both the patients are accompanied by somebody. The injuries mentioned in Ex.P.8 i.e., in respect of Farzhana are possible if fallen accidentally. Witness deposed that it is possible if the injured fell on the sharp objects. Witness confendend with Ex.D.1 photographs and it is suggested that if the injured falls on the places shown in the photograph. The injury mentioned in wound certificate are possible. Witness ascertained the photographs and deposed if

if is possible. It is false to suggest that I have issued false wound certificate to help the injured/CW.1 and 2. It is false to suggest the I have deposed false to help CW.1 and 2.
