After receipt of the FSL Report, I issued opinion regarding cause of death. Said women death is due to head injury sustained.

On the same day I received requisition from I.O., for examining the weapon and furnish opinion about injury. Along with the request letter weapon metal rod in the form of pipe was sent me. After examination I have given my opinion stating that all the injuries mentioned in the P.M. Report could be caused by using

the said weapon and said injuries are sufficient to cause death. After examination the said weapon was sent back to I.O., with the sample seal. The document now shown to me is the P.M.Report issued pending RFSL Report and signature in the same is mine. Said document is marked as Ex.P-19 and signature as Ex.P-19(a). The document now shown to me is the final opinion given by me and signature in the same is mine. Said document is marked as Ex.P-20 and signature as Ex.P-20(a). The document now shown to me is the opinion issued regarding weapon and signature in the same is mine. Said document is marked as Ex.P-21 and signature as Ex.P-21(a). The sample seal is now shown to me was sent along with metal rod. Said document is marked as Ex.P-21(b). M.O. 5 metal rod was the weapon sent to me. The clothes which are marked as M.O. 1 to 4 now shown to me are the clothes found on the dead body. At the time of post mortem blood soaked gauze was handed over to concerned Police for blood grouping. Now the gauze shown to me is the same. Said gauze is marked as M.O.8. If a person is assaulted with M.O. 5 there is possibility of causing death.

Cross examination is deferred at the request of defence counsel
