

Recorded via Videoconferencing**Deposition of witness No. 3 for Claimant**

My name : Dr. Niraj Rajkumar Gupta
Aged about : 42 years,
Occ. : Medical Practitioner
R/o. : Nagpur.

Examination-in-chief by Adv. Smt. Bhuyar, for Claimant holding for Mr. P. S. Mirache.

I am M.D (Forensic). I am practicing since last 14 years. I am attached to Suretech Hospital, Nagpur since 2020.

02. One **Mrs. Ranjana Arun Shukla**, Aged 47 Years, was admitted in our hospital on 19/11/2022. She had come with a history of road traffic accident.

03. On examination, we observed that patient had left proximal humerus fracture.

04. Patient was admitted, a surgery was performed for fixing injury. Patient was discharged in a stable condition on 24/11/2022. Discharge Summary now shown to me is the same. It bears my name as Medico Legal Consultant. Contents are true and correct. Said discharge card is at **Exh. 32**. Patient has suffered fracture injury.

Cross examination for Respondent No. 1 by advocate Mr. C. B. Pande

05. It is not true to say that patient has suffered only simple

injury. Such injury may heal within a period of 3 to 6 months. I cannot opine whether patient has suffered any permanent disability without clinically examining her.

Cross examination for Respondent No. 2- Exparte, hence, no cross.

Cross examination – over.

Re examination – NIL

Read over and admitted to be correct.
