

Petitioner filed I.A U/o 5 rule 20 CPC praying to issue summons to the Respondent through affixture.

Heard perused and satisfied with the grounds urged in the application.

In view of the submission and grounds made by the petitioner it appears for me that the petitioner made out sufficient grounds for the issuance of summons to the respondent by way of affixture as the summons to the respondent is intentional evading to receive the summons from this court. Accordingly, the application is allowed and no orders as to the cost.

Office is directed to issue summons to the respondent by way of affixture if PF paid.
