(Ex-parte)

**ORDER**

The petitioners have filed this petition under Sec.13(3) of Registration of Births and Deaths Act 1969 seeking directions to respondent to enter the death particulars of

deceased Sri.Javaraiah S/o.Deshaiah and issue a death certificate.

2. The summary of the case of the petitioners is as under:

The Father of Petitioner No.1, Father-in-law of Petitioner No.2 and Grand Father of Petitioner No.3 by name Sri.Javaraiah S/o.Deshaiah was died on 29.04.1964 at Madapura Village, Hampapura Hobli, H.D. Kote Taluk, Mysuru District. Due to lack of knowledge the petitioners did not intimate the death of Sri.Javaraiah S/o.Deshaiah to the concerned authority. The petitioners have moved an application to the respondent for issuance of the death certificate of deceased Sri.Javaraiah S/o.Deshaiah. However, the respondent has issued a non availability certificate, informing that there is no entry found in the register of death and issued non-availability certificate. The petitioners requires the death certificate of deceased Sri.Javaraiah S/o.Deshaiah for the purpose of change of katha. Hence, this petition.

3. The petitioners have caused a public notice in Prajanudi and Hello Mysuru a Kannada Daily news papers in its editions dated 30.01.2026 about the present proceedings. No person has appeared in response to said citation. The respondent remained absent even after the service of the notice. Hence the proceedings continued treating the respondent as exparte.

4. The petitioner No.3 adduced his evidence as PW-1 and produced as many as documents and they are marked as Ex.P1 to Ex.P10.

5. I have heard the arguments addressed by learned advocate for the petitioners. I have gone through the materials available on record. The following points arise for my consideration.

### **POINTS**

- 1) Whether the petitioners have made out a case for allowing the petition?
- 2) What order?

6. My findings to the above points is as under:

Point No.1: **In the Affirmative**

Point No.2: As per final order for the following:

### **REASONS**

7. **Point No.1:-** In order to prove the case, petitioner No.3 examined himself as PW-1 and filed affidavit in lieu of his examination in chief and reiterated the petition averments, hence repetition is not necessary. Further, in support of his oral evidence, he has produced as many as 10 documents and they are marked as Ex.P1 to Ex.P10. Ex.P1 is non availability certificate. Ex.P2 to 4 are the reports of Village Accountant, Revenue Inspector and certified copy of Mahazar. On perusal of the same, it discloses that the date of death of deceased Sri.Javaraiah S/o.Deshaiah is not registered in the register maintained by the respondent. Further, Ex.P5 is Genealogical tree of the petitioners, which discloses the relationship of the

petitioners with the deceased Sri.Javaraiah S/o.Deshaiah. Ex.P6 and Ex.P7 are Prajanudi and Hello Mysuru a Kannada daily news papers, Ex.P6(a) and Ex.P7(a) are concerned papers publications. Ex.P8 to 10 are Notarized Copies of Aadhar Cards of Petitioners. It is pertinent to note that inspite of service of notice, the respondent for the reasons best known to him, has remained absent and not made any attempt to file objection or deny the document produced by the petitioners. As such the evidence of the petitioner remained unchallenged and uncontroverted. Therefore, there is no reason to disbelieve the evidence given by petitioner.

8. It is also a trite that in a proceeding under Sec.13(1) (3) of Registration of Births and Deaths Act, Court is concerned with the factum of birth or death and date of birth or death is not relevant. This proposition finds support from the ratio laid down by Hon'ble High Court of Karnataka in the matter of **State of Karnataka V/s. Smt. Annakka reported in 2000(4) KCCR 2674**, which reads thus:

***“REGISTRATION OF BIRTHS AND DEATHS ACT 1969- Sec.13(3)- Direction to make an entry in the Birth Registration by the Magistrate-Challenged on the ground, that except the statement of applicant on oath there was no other material.***

***Held: Magistrate in a proceeding under Sec. 13(3) only ascertains the birth of the child and date is not the material consideration, as such directions bind only the Registration Office under the Act to make an entry and does not carry higher probative value”.***

9. Reverting to the factual matrix of the petitioners case, petitioners have stated in their petition as well as the PW-1 in his examination in chief that Father of Petitioner No.1, Father-in-law of Petitioner No.2 and Grand Father of Petitioner No.3 was demised on 29.04.1964 at Madapura Village, Hampapura Hobli, H.D. Kote Taluk, Mysuru District. Therefore, in the light of the principles emerged from the decision referred to above, petition is required to be allowed. Hence, I answer the **Point No.1 in the Affirmative.**

10. **Point No.2:-** For the foregoing reasons, I pass the following:-

### **ORDER**

Petition filed by the petitioners under Sec. 13(3) of Registration of Births and Deaths Act 1969 is hereby allowed.

Respondent is directed to enter the death particulars of "Sri.Javaraiah S/o.Deshaiah, demised on 29.04.1964" in the concerned records and issue a death certificate accordingly, to the petitioners after collecting necessary fee.

The parties to bear their respective costs.
