

The complaint is absent. It is seen that, in this case the Town police have filed F.I.R. registering a case in Crime No. 78/2016. In fact, after filing of the F.I.R. , the P.C.R should have been closed. But, by oversight that has not been done. Therefore, now office is directed to close the P.C.R as there can't be two numbers.

Henceforth, this case should be called by using Crime No.78/2016. Call on for production of legible copies of the documents as last chance . by 26.07.2024.
