

EX/44/2016

DHR absent.

Perused the record.

Despite of giving sufficient time DHR remained absent and not taken further steps against JDR and not even paid the PF for issuing the attachment warrant and arrest notice against JDR.

Further as per the order dated 11.12.2025, 05.02.2026, 02.04.2026 and 06.06.2026 the DHR was directed to assist the Court Bailiff in serving the arrest notice and executing the attachment warrant of movables. Despite of specific directions, he remained absent and not taken further steps.

Further the above matter is of the year 2016 and one among the oldest case pending before the court.

All these aspects clearly shows that DHR is not interest to prosecuting the matter.

Hence this court has no other option except to dismiss the execution petition for non appearance of the DHR and not taking further steps against JDR.

Hence execution petition filed by the DHR is dismissed for non prosecution.
