

A perusal of the IA-4 and 5 and other material on record reveals that the 2nd respondent filed the said application for declaration of his share over the petition schedule properties and receive the court fee. But, the judgment and preliminary decree of OS No.12/2015 reveals that the 2nd respondent has 1/2 share over the item No.1 of the suit schedule properties. But, the suit in respect of the item No.2 of the suit schedule properties was dismissed and no discussion is made on the share of the 2nd respondent on the said property. Therefore, in order to declare share of the 2nd respondent over the item No.2 of the suit properties enquiry needs to be conducted in this regard. Hence, call on for enquiry by 23.03.2021.
