Case again called out in the afternoon session. DHR and counsel called out absent. No representation. Perused the entire case papers.

Today the case is posted for steps finally as last chance. This is the execution petition arisen from the award for recovery of compensation passed in MVC No.1295/2011. This Court provided sufficient opportunities for the DHR to take proper steps. But proper steps not taken.

DHR and counsel continuously absent. It appears that DHR is not interested in proceeding with the case. Hence execution petition is hereby dismissed for default as steps not taken.
