

Complainant is absent. Counsel for complainant is present and submitted that the complainant has not contacted for long back. On perusal of order sheet after the registering the case the complainant has not come to proceed in this case. In spite summons has been issued continuously. Still the summons has not been executed. The case is today posted for take steps finally as last chance. But now the complainant counsel has not taken proper steps. Sufficient opportunities granted. Complainant continuously remained absent and proper steps not taken. Now there is no acceptable reason to adjourn without the presence of complainant. Despite the continues absent goes to show he has not interest at all to proceed further in this case. Hence, prayer of the counsel has been rejected and complaint is hereby dismissed for non prosecution.
