Present: Petitioner in person.

None for R-1 and R-2 in Court as well as on VC.

Sh. AN, Ld. Counsel for R-3/Insurance Company.

IO SI Kunal Kishore in person.

IO has brought the CCTV footage. We have endeavored to run the said footage in Ubuntu Linux OS provided by Hon'ble e-Committee, Supreme Court of India. The footage in pendrive is in a non-compatible format and cannot be run in open source video player available in Court.

IO informs that he has obtained the CCTV footage from the establishment of CISF and runs on a proprietary software. Though the footage cannot be played but even if it can be played, it would not be prudent to share the proprietary software used by the security forces with parties/public at large.

IO is directed to file the CCTV footage in a compatible format which can be run in open source video player.

List this matter for further proceedings on **21.07.2026**.
