

**ORDER**

I have perused cause title of plaint and caveat petition.

2. The caveator has sent notice to the caveatee who is none other than plaintiff in this case to the address mentioned in the cause title of the original suit. To that effect a receipt of RPAD is filed by the caveator. Though present plaint is filed in the capacity of institution but it is represented by its Secretary and the subject matter involving suit and caveat are one and the same. Therefore, before proceeding to pass interim orders it is necessary to call upon the other side. Hence issue notice to caveator and also emergent notice on I.A.No.I to him returnable by 24-07-2023.
