Present: None.

Reply of the Additional DCP concerned filed on the LDOH is duly perused.

As per the reply, the charge-sheet is already filed.

As per the court record, the case file is listed for 04.01.2025.

Since charge-sheet is already filed. There appears no purpose to keep the present application for monitoring pending. Moreover, the applicant has also not appeared since past several dates.

In light of the above-discussion, the application stands disposed off. Be consigned to the record room after due compliance.
