ORDER BELOW EXH.27
(Passed on 18-06-2025)

Plaintiffs have moved this application seeking the production of documents. Defendants have strongly opposed the application. I have perused the application and say. Heard both sides.

2. In order to fairly adjudicate the matter on merits and ensure the parties the proper presentation of their side, it is just and necessary to allow the production of documents as prayed. The question regarding the relevancy, admissibility and mode of proving the documents can be considered independently but that cannot be the reason to refuse the production of documents. Hence, I hold that this application deserve to be allowed in the interest of justice, and I pass following order.

ORDER

1. Application is hereby allowed as sought.
2. The plaintiffs are hereby allowed to produce the documents as sought.
