

ORDERS ON I.A.5 U/SEC.151
OF CPC

This application is filed by the plaintiff U/Sec.151 of CPC to club the present suit with O.S.No.118/2020 filed by the defendant against this plaintiff.

It is contended in the application that, suit schedule property in this case, and suit schedule property in the O.S 118/2020 are one and the same hence both needs to be clubbed.

The defendant submits no objection to the said application

This court is of the opinion that, in order to avoid multiplicity of proceedings and to record common evidence and to pass common judgment, it would be proper to club the present suit with O.S.No.118/2020 Accordingly, I pass the following:
