

**ORDERS**

The Counsel for the plaintiff submitted that when the case was posted for judgment, the 1<sup>st</sup> defendant has advanced and filed written statement. It is also argued that the 1<sup>st</sup> defendant permitted to file the written statement subject to payment of cost of Rs.2,000/-.

On perusal of the records, as argued by the counsel for the plaintiff the said order was passed on 24.05.2021. Thereafter, 10 adjournments are given to pay the cost. But till date the order is not complied. Therefore, the written statement filed is not taken on record. Hence, for arguments by 25.02.2022.
