

ORDERS

The DHr has filed application under Section 151 of C.P.C seeking police help for execution of attachment of movable properties in respect of decree passed by this court.

2. In the affidavit accompanying the said application sworn in by the DHr it is submitted that, he had filed a against the defendant for the relief of recovery of money on the basis of On Demand Pronote, which came to be decreed in his favour. Since the JDr is interfering in the attachment of movable property as ordered by this court it is necessary to provide police help for the attachment of movable properties of the JDr. Hence, prayed to allow the application.

3. The record reveals that, the DHr has filed a suit against the JDr in O.S.No.56/2015 for recovery of money which came to be decreed in part with costs directing the JDr to pay a sum of Rs.20,600/- together with interest at the rate of 6% pa., from the date of suit till its

realisation on the principal amount of Rs.15,000/-. Since the JDr has failed to pay the amount as directed by this court the DHr has filed execution petition seeking to enforce the decree passed by this court and accordingly filed the present application. Thereafter, this court had issued warrant for attachment of movable properties of JDr. Since the DHr has submitted that the JDr is not co-operating with the directions passed by this court to attach the movable properties of JDr. It is necessary to order for police help. As such, the DHr has made out sufficient grounds to allow the present application. In view of the same, I proceed to pass the following ;
