Examination-in-Chief: Public Prosecutor:

Accused persons before the court are known to me. Deceased Sukanya is the daughter of PW1 and PW1 is my uncle. Now Sukanya is dead. She died two years ago.

2. I had participated in the pre-wedding talks in which it is agreed that as per the demands of the accused persons to pay cash of RS.50,000/-, 90 grams gold and wedding in Chowtry has to be performed. At the time Gangappa and Hanumatharayappa were also present. Wedding was performed in Chowtry, Ullenahalli. After marriage deceased was in the matrimonial home. For 1 year after the marriage and after the birth of

baby, quarrel started demanding dowry. They demanded further dowry of Rs.30,000/- and they were assaulting her to bring the same.

3. They had assaulted her and sent back to bring the amount on one night. Next day morning myself and PW1 took her back to the matrimonial home stating that within a week we will make good the sum of Rs.30,000/-. 3 days after we left her, phone call came reporting her death at 2 pm by one Ellappa. She died on 18-05-2012. At about 4.30 pm we all went there. On enquiry from the neighbors, we learnt that on that day A1 had not gone to work and they were abusing and assaulting her demanding further dower sum of Rs.30,000/- and deceased told them that one week time is given and within 3 days why are you making galata. When we went to their house dead body was on the mat in front of the house and baby was also there and accused persons were not present. When we saw the dead body clothes were torn and shattered. I say that A1 and A3 are responsible for the death of Sukanya. Witness identified MO1 to 4 which were over the dead body. Police gave Thali Chain to PW1 regarding other items I have no knowledge. Death of

Sukanya has happened two years after the marriage in the matrimonial home.

Cross-Examination: by Sri.BR: is deferred at request on cost.
