

Heard on petition. ORDERS The Petitioner has filed this petition U/sec 276 of Indian succession Act to probate with respect to execution of will dated 09.04.2018. The Respondents No.1 to 3 have contested the petition by filing objections. Section 295 of Indian succession Act 1925 governs the procedure for contentious cases. It provides that when disputes arises over granting of probate or letter of administration the contested application required to be converted into regular civil suit. In the present the case petition filed by the Petitioner is contested by the Respondents by filing objections. Hence the petition filed by the Petitioner is required to be converted into regular civil suit as provided under section 295 of Indian succession Act. Hence office is directed to register the petition as original suit. Petitioner is directed to value the suit by paying required court fee on the next date of hearing. Adjourned by 07.08.2026.
