(Jyotirmay Solar Pvt. Ltd. Vs. Vimalchand Kasturchand Jain)
(Passed on: 25.03.2026)

Read application and say there on. Heard, both the learned advocates. In my considered view every suit/application/LAR must be decided on merits. Hence, considering reasons mentioned in the application no cross order is set aside subject to cost of Rs.500/- to the plaintiff.

02. The defendant and his advocate are directed to remain present on next date in the Court at 11.30 a.m. and comply the order and also cross examine the plaintiff without fail. No adjournment will be given to defendant to cross examine the plaintiff on any ground. If defendant failed to comply with this order and cross-examine the plaintiff, the said order stands automatically canceled.
