

ORDERS ON IA.NO.9

The plaintiff has filed IA.No.9 U/O 6 Rule 17 R/w Section 151 of CPC with a prayer to permit the plaintiff to **add some more properties to the plaint schedule.**

The learned counsel for the defendants orally opposed to the present application by stating that the present application is not maintainable at this stage and prayed to dismiss the application.

Heard both the parties on application.

Perused the contents of affidavit annexed to the present application and documents and also plaint averments.

Admittedly the plaintiff have filed the present suit against the defendants for Partition and Separate Possession in respect of suit schedule properties.

It is well settled principle of law that in a suit for partition all the properties should be included for effective result. Since the plaintiff has approached the court with some relieves as such, it is on the plaintiff to plead and prove about the identification of properties on which she is claiming the relieves. The plaintiff is intending to add some more properties to the plaint schedule by stating that she is also having share in it.

I have perused the averments of the plaint, application and documents. The burden to prove the description of the suit schedule properties and other pleadings is upon the plaintiff. While allowing this application, no harm or injury would be caused to the defendants and it will not amount to retraction of any admissions. Under such circumstances, the proposed amendment will not cause any prejudice to the defendants as they will get every opportunity to cross examine the plaintiff in this regard as well. The nature of

the suit will not be changed by virtue of proposed amendment. Hence, viewed from this angle, plaintiff has made out grounds for allowing the application. By considering the facts and circumstances of case. I proceed to pass the following :
