

O.S.57/2024

ORDER ON I.A.III

This application is filed by the defendant No.8 seeking police protection. However, the documents produced by the defendants No.1 to 5 show that the defendant No.8 and police had went to the schedule property prior to filing of application. So, it seems that 8th defendant has already taken police protection by his own attempt, therefore the order of this court to provide police protection is definitely not required. Secondly the police are nothing to do in civil dispute and their presence by way of protection is unwarranted since the matter is pending before the court. Therefore, I.A.III is hereby rejected.
