IO has submitted that the injured person was brought to the hospital by the applicant himself and he even met the IO at the hospital but later on he absconded from the hospital. IO has fairly conceded that notice u/s 35(3) BNSS is yet to be given to the accused / applicant.

As the offences alleged in the present matter are punishable with imprisonment of less than 07 years , notice u/s 35(3) BNSS is mandatory. Therefore, it is hereby directed that IO shall comply with the provision u/s 35(3) BNSS and in case of any arrest, then the guidelines provided in “*Armesh Kumar vs State Of Bihar & Anr*” AIR 2014 SUPREME COURT 2756 shall be duly followed.

Accordingly, in view of the above-said disrections, the present bail appication stands disposed off.

Order *dasti*.
